

Your business in your pocket.

Cashflow is a simple and intelligent mobile app that helps you improve your business cash flow and relationships. Also, it's free!

See how your business is doing.

Users say Cashflow is easier than writing in their books or typing in a spreadsheet.

Pay anyone, at any bank, free.

Pay your suppliers, employees or anyone with a bank account in real time, for free!

Open a bank account.

The easiest way to open a bank account, just 2 minutes to get started.

Remember who owes you money.

Now you know who always pays on time and who needs a reminder.

Your business and bank in one app.

See your business transactions and bank transactions in one app.

Never lose your data.

Automatically back up all your data when you sign in to a social network.
